### F.A. DAVIS NURSING TITLES HONORED BY *AJN*

Five titles recognized as the most valuable publications of 2015.

Philadelphia, PA, January 18, 2015: F.A. Davis Company has been recognized by the **American Journal of Nursing** as the publisher of five of the titles awarded 2015 Book-of-the-Year Awards in six different categories. These awards recognize the most valuable publications of the year, as chosen by **AJN's** panel of judges. Peer-reviewed and evidence-based, **AJN** is considered the profession's premier journal and has been identifying its selections of the year's best work since 1969.

*"We congratulate each of the authors on their accomplishments and thank them for their dedication to sharing their knowledge and experience with nursing students, educators, and clinicians,"* said Jean Rodenberger, Editor-in-Chief, Nursing. *"These five titles reflect models of learning that are changing how nursing is taught and how students are learning in today's time pressed environments. We are honored that AJN has recognized the contributions of these authors to the education of the next generation of nursing students and to the professional development of the field."*
