COMPLETE YOUR COURSE

"...better than Google..."

"I could have googled a lot of the terms instead of buying this, but I really like having a physical reference material. It is **better than google** because you don't pull up 14 different things with similar names, **ONLY** the medical definition."

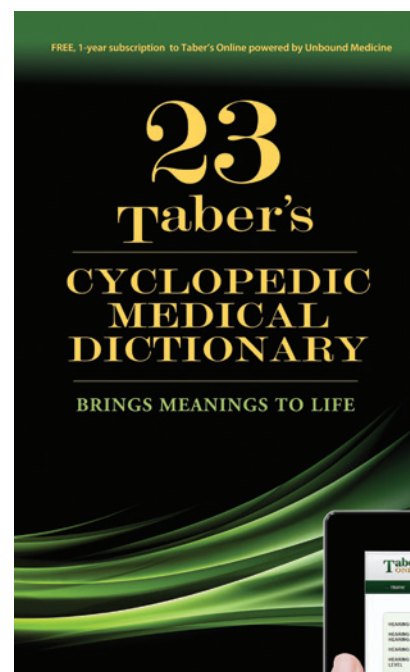

—R.M. Cook

Everything you will need!

"The Bible for nurses creating care plans! Has **everything you will need**; disease definition, symptoms, NANDA's, interventions. A must-have for students!"

—Dora Duran

MORE TITLES = MORE SAVINGS

Build a money-saving package with all of the titles your students need to excel in class, clinical, and on exams—designed just for your course.

The more you package, the more your students save. Find out if the savings in your package add up to a **FREE Taber's** for your students.

ANYWHERE EVERYWHERE

In hand, online or mobile, Taber's is the all-in-one, go-to source for classroom, clinical, and beyond.

Ask your Educational Consultant for access to this content in print and mobile formats.

LEARN. PRACTICE. APPLY.

MEDICAL CODING SUCCESS

The complete **MEDICAL CODING CURRICULUM SOLUTION** you've been waiting for is here!

Your medical coding students have a unique edge—their skill sets are in demand. Every doctor's office, medical facility, and nursing home uses medical coders. Our integrated suite of products provides the most authoritative content and instant connection to relevant application on the market today, to increase student interest and retention.

Core Text

We're excited to provide your students with everything they need to know about the latest ICD-10 changes, CPT, & HCPCS in one text. Detailed guidance walks them step by step through the decision-making process to prepare them for AAPC or AHIMA certification exams and professional practice..... **4**

Online Learning Platform

Medical Coding Lab is FREE with the purchase of a new text. Interactive Exercises, Case Studies, Flash Cards, and Multiple-Choice Quizzes increase student interest and retention **5**

Student Workbook

Reinforce the text. Short answer, highlighting, and fill-in-the-blank exercises test vocabulary, coding, procedural, and legal knowledge..... **5**

More Must-Haves

Check out everything your students need to know about E&M codes **6**

A&P in precise and captivating detail **7**

2018 Coding Manuals brought to you by AAPC **8**

Pinpoint the Code

Our unique flowcharts walk your students through step-by-step decision trees that teach them how to logically assign a code.

CONQUER MEDICAL CODING 2018

A Critical Thinking Approach with Coding Simulations

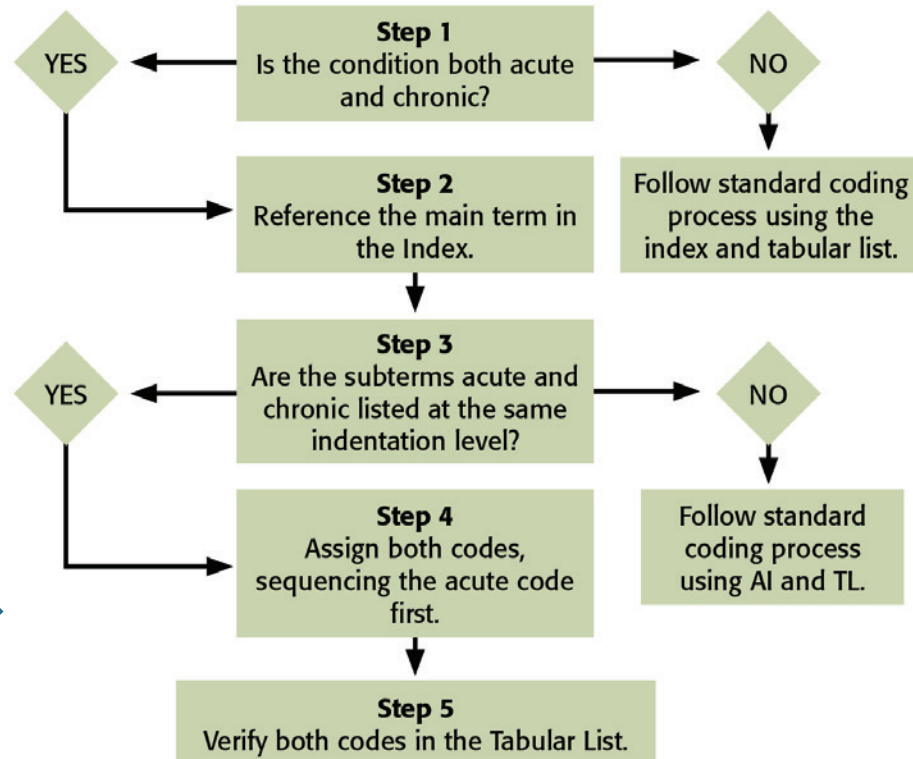

Jean Jurek, MS, RHIA, CPC
Stacey Mosay, RHIA, CCS-P, COC
Daphne Neris, CPC, CCS-P, CPC-I

Use a one-of-a-kind visual, reproducible process for coding.

Conquer Medical Coding is the ONLY text with flowcharts that show students how to logically assign ICD-10 and CPT codes in a visual and repeatable process. Use our text, workbook, and **Medical Coding Lab** together to get more case scenarios than any other text.

Updated for the 2018 ICD-10 code set!

- We provide annual ICD-10 updates to make sure your students are learning the most current information.
- Content on modifiers is integrated throughout the text to put the information in context with what your students are learning.
- Plus, our online learning platform, **Medical Coding Lab**, is included for FREE with a purchase of a new text.

Acute and Chronic Conditions Code Assignment Flow Chart

ONLINE LEARNING PLATFORM

Text + 2-year access FREE with a new purchase of the Text.
Standalone 2-year access is also available

Access Code Card

About \$76.95 (US) | \$102.50 (CAN) | Early 2018
ISBN-13: 978-0-8036-6943-7

Capstone Cases require students to demonstrate in-depth coding knowledge similar to the level of problem solving and application needed in professional practice. Perfect for final exam prep!

MEDICALCODINGLAB.COM

Jean Jurek, MS, RHIA, CPC
Stacey Mosay, RHIA, CCS-P, COC
Daphne Neris, CPC, CCS-P, CPC-I

Give your students a complete learning experience that helps them develop the critical-thinking and investigative skills they need to launch a successful career in coding.

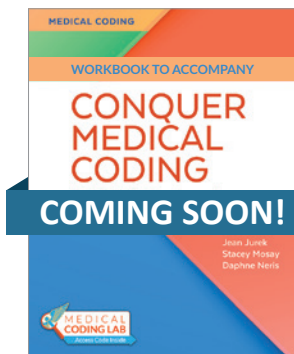

Medical Coding Lab includes a complete eBook version of the text with each chapter integrated into the individual lessons. Assignments are automatically graded and reported to your Instructor Gradebook. Students also have access to their personal gradebook, so they always know how they are performing.

Each lesson in Medical Coding Lab includes:

- eBook chapter for that lesson
- Flash Cards
- Don't Tip the Scale
- Short Answer
- Build Medical Codes or Analyze Medical Codes
- Interactive Case Studies

About 288 pages | 50 illustrations
Soft cover | Late 2017

About \$41.95 (US) | \$55.95 (CAN)
ISBN-13: 978-0-8036-6940-6

Workbook

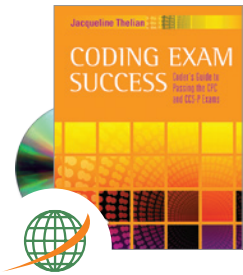

to Accompany Conquer Medical Coding 2018

Jean Jurek, MS, RHIA, CPC
Stacey Mosay, RHIA, CCS-P, COC
Daphne Neris, CPC, CCS-P, CPC-I

1,200 total practice exercises!

The workbook uses 'Coding Scenario' case studies as the primary method of practice to simulate what your students will be required to do on the job.

- Short answer, highlighting, and fill-in-the-blank exercises test vocabulary, coding, procedural, and legal knowledge.
- Unique flowchart activities and sample certification exams sharpen critical thinking.

Coding Exam Success

Coder's Guide to Passing the CPC and CCS-P Exams

Jacqueline Thelian, CPC, CPC-I

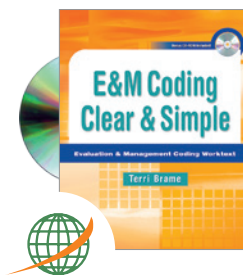

Ideal for CPC & CCS-P exam success.

Review the basics of coding, anatomy, and medical terminology; the three major coding procedures—CPT, HCPCS, and ICD—as well as the more complicated medical procedures, including surgery, radiology, and pathology.

- Bonus CD with 450 questions & learning activities
- Sample exam with answers and rationales

Soft cover text + CD
304 pages | 15 illustrations | 2012

\$62.95 (US) | \$83.95 (CAN)
ISBN-13: 978-0-8036-2542-6

E&M Coding Clear & Simple

Evaluation & Management Coding Worktext

Terri Ann Brame, MBA, CHC, CPC, CGSC, CPC-H, CPC-I

Interactive. Presents the whys & hows.

Finally, a text that actually *explains* how to make E&M decisions and doesn't just tell what E&M codes are. Your students will truly understand these critical codes and how accurately assigned E&M levels can help a medical practice succeed.

- Realistic case studies simulate actual coding encounters
- Interactive exercises at **DavisPlus.com** and on the Bonus CD

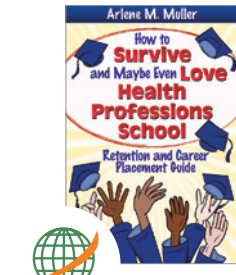

Soft cover text + CD
312 pages | 40 illustrations | 2014

\$71.95 (US) | \$95.95 (CAN)
ISBN-13: 978-0-8036-2559-4

\$38.95 (US) | \$51.95 (CAN)
ISBN-13: 978-0-8036-2365-1

Coding Notes

Pocket Coach for Medical Coding, 3rd Edition

Alice Anne Andress, CCS-P, CCP

A professional coding coach in your pocket!

Here's your students' one-stop source for commonly used codes and categories that don't change frequently and ICD-10 references for locating codes that do.

Soft cover | 264 pages | 2016

\$34.95 (US) | \$46.50 (CAN)
ISBN-13: 978-0-8036-4560-8

Billing & Coding Clear & Simple

A Medical Insurance Worktext

Nancy Gardner, CPC, CMA (AAMA)

Reader-friendly. Easy-to-grasp.

Master billing and coding with...

- Introduction to insurance terminology and acronyms • diagnostic coding • procedural coding • managed care • and legal issues
- CoderPlus CD helps your students troubleshoot denied claims

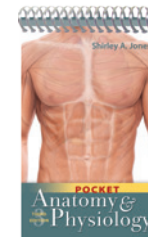

Soft-cover text + CoderPlus CD | 384 pages | 70 illustrations | 2011

\$64.95 (US) | \$86.50 (CAN)
ISBN-13: 978-0-8036-1718-6

Our secrets for a smooth transition to ICD-10.

Are your students equipped with the Anatomy, Physiology, and Med Term knowledge they need to bill & code correctly?

Perfect A&P resource for ICD-10!

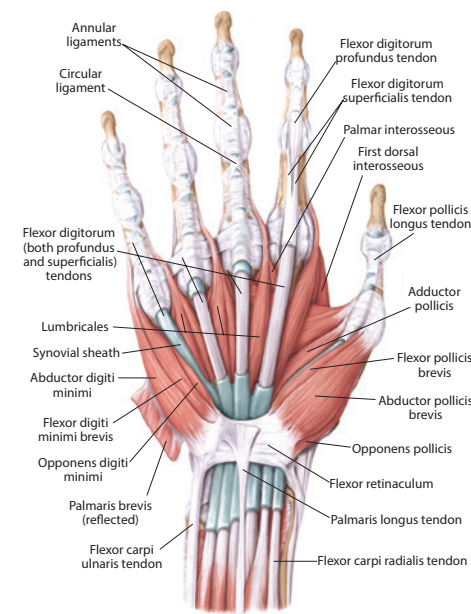

Only 5.5 inches high!

Pocket Anatomy & Physiology, 3rd Edition

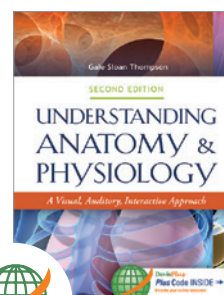

Shirley A. Jones, MEd, MHA, MSN, EMT-P, RN

328 pages | 260 full-color illus. | Soft cover | 2017

\$39.95 (US) | \$53.50 (CAN)
ISBN-13: 978-0-8036-5658-1

Precise & pocket-sized for quickly referencing any perspective of the human body.

Understanding Anatomy & Physiology

A Visual, Auditory, Interactive Approach, 2nd Edition

Gale Sloan Thompson, RN

552 pages | 500 full-color illus. | Soft cover | 2015
\$59.95 (US) | \$79.95 (CAN)
ISBN-13: 978-0-8036-4373-4

Med Term Mastery made easy.

The **Medical Language Lab** provides a customized, interactive, online program for each of these F.A. Davis Medical Terminology texts. Use The MLL's integrated Gradebook and export it to the Learning Management System of your choice.

Your students receive The MLL, FREE for two years, with the purchase of a new textbook.

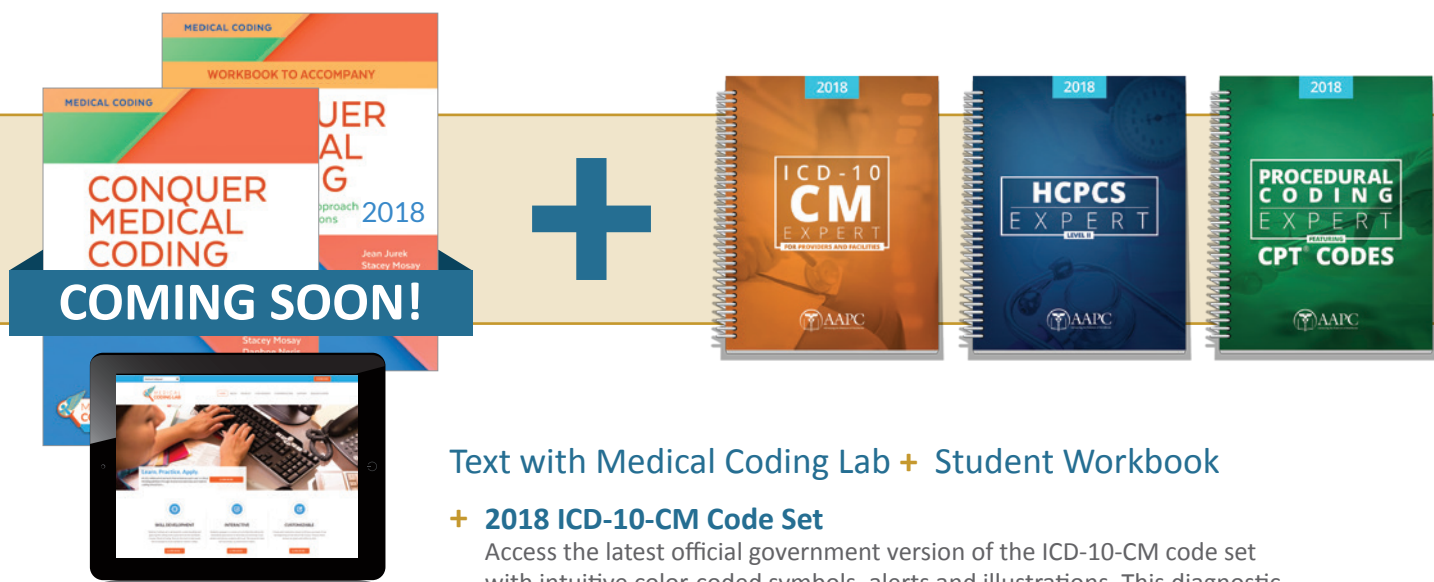

2-year subscription | 2016
Pricing varies by product.

Visit www.MedicalLanguageLab.com for more information or ask your F.A. Davis Educational Consultant for details.
